

## ADVANCE ON PEKIN

Will Require an Army of One Hundred Thousand, Say Foreigners.

## ADMIRAL SEYMOUR CAPTIVE

In the Belief of Many, and Will be Held as Hostage for Good Terms of Settlement—Chinese Boast They Have 400,000 Soldiers—Russians Bitterly Denounced.

CHIEF, June 26.—The foreigners everywhere are urging the immediate concentration of an army of 100,000 men or at least 50,000 men, for an advance on Peking.

Many persons, familiar with the Chinese character, think the foreign ministers and Vice Consul Seymour are held as hostages for good terms of settlement. They also believe the whole Chinese army is joining in the movement, under the leadership of Tung-Fu-Hsiang, who crushed the Mohammedan rebellion. Recently he was nominally degraded for the purpose of organizing an anti-foreign uprising quietly.

It is estimated that 60,000 soldiers, well armed but poorly disciplined, are about Peking and Tien Tsin. The Chinese officers boast that they have 400,000 soldiers.

## Rescuing the Missionaries.

Admiral Seymour's force carried a week's rations and the men had an average of 150 rounds of ammunition. The Russians conduct at Taku, according to the other officers inflamed the natives. The Russians are reported to have been shooting the Chinese indiscriminately and driving away the peaceful Chinese who would have procured transportation and provisions, and of looting the town.

A great naval demonstration at all the treaty ports is also said to be desirable in order to influence the wavering Chinese merchants who are friendly to foreigners.

The masses are becoming excited at the reports of their countrymen's successes against the powers. Merchants arriving here report that the boxers are drilling in the streets of New Chung and that when the officials inspected the soldiers with the view of suppressing the boxers they found the soldiers had sold their rifles and equipments to the boxers.

The military school at Moukden is reported to have been destroyed.

## British Consul Asks for Warships.

The British consul at Peking is asking for warships. The arrival of the British first class cruiser Terrible and two Japanese cruisers at Chefoo today relieved the strained situation. Two Chinese forts, equipped with Krupp guns, command the foreign city. The only protection was the United States gunboat Yorktown with 150 sailors. As an outbreak was reported last night the sailors slept on their arms and the foreigners prepared to take refuge on the ships.

Commander E. D. Taussig, of the Yorktown, requested the commander of the forts to cease his disquieting manœuvres with cannon, and notified him that if Chinese troops were sent to the city ostensibly to repress the boxers Americans would be landed.

There are about 150 American and British missionaries at Chefoo. They are short of money and clothes, having left their stations hastily.

## Russians Inflamed the Natives.

United States Consul John Fowler's ship is expected to bring fifty missionaries and French priests from the mouth of the Yellow river, whether they are flocking from the interior.

The commander of the British cruiser Hia-Chi, at Teng-Chow, offered Mr. Fowler to go to the relief of the missions at Yang-Chie-Kiang if assured of protection.

The officers of the British first class cruiser Terrible assert that discord exists between the Russian and Anglo-Americans and say they believe the Russians are planning to break the concert and take possession of Peking independently. They assert that Vice Admiral Seymour's command lacked union, the foreigners sulking because they were under British leadership. They bitterly denounce the Russians general conduct as uncivilized and barbarous and charge that the slaughter of peaceful Chinese at Taku has aroused the otherwise passive natives against the foreigners.

## WHEELING WHOLESALE MARKETS.

Weekly Change of Quotations in all Lines of Local Trade.

Office of the Intelligencer.

Wheeling, June 26.

The recent advances in wheat brought about a big advance in this week's quotations on flour, reaching 70 to 80 cents a barrel on fancy brands, and even more on lower grades. The advance over three weeks ago aggregates about \$1.50 on the barrel.

The local quotation on wheat advanced but three cents, and is only partially influenced by the big speculative advances at Chicago and other wheat marts. While the drought caused a large legitimate advance on wheat, yet there is a speculative advance that has not been justified by the northwest crop reports, and a slump on speculative quotations would not be surprising.

Sugars have again advanced, standard granulated being quoted now at 6.03 cents, an advance of .13 cent since last week.

The produce market has been good this week. Home cabbage is coming in; also some home potatoes and green apples. Watermelons are selling well.
